WHAT YOUR FEES PAY FOR

We are proud to introduce our new simplified and transparent fee structure.

- No hidden costs to you or the participants!
- We only charge what it costs to run our programs, plus a small margin. We reinvest that back into our programs to offer the best-in-class experience for you and your participants.
- Our pledge is to put your counselors (our participants) first! No matter how a participant secures a placement, they will always receive top service levels from CIEE and our staff!

PROGRAM COST

TRAVEL SUPPORT

Make your placement offer more attractive with additional pocket money for specialty positions (e.g. certified lifeguards) and/or highly qualified individuals.

Consider offering additional incentives to counselors (e.g. completion bonus, travel reimbursement) to make your camp stand out.
