

Completing Your Host Profile

Professional Exchange Programs

Beacon is a CIEE Host and Placement Portal where you can store your company information and access training plan(s) for your international interns/trainees.

STEP 1

ACCESS YOUR HOST PROFILE

OPTION 1: Access through email link

Use the link in the automatic email invite (check your spam folder)

Dear Arlette,

Thank you for choosing CIEE as your international programs sponsor – we are looking forward to working with you and your Professional Exchanges program participants.

Your first step in the process is creating an online host profile for your organization. Please access our Beacon Host Portal and create your password. Your username is your email address.
